## You are invited to join the NAVCOPS Network JusticeConnect community!

JusticeConnect is a secure community located on the Law Enforcement Enterprise Portal (LEEP).

- **What is LEEP?** LEEP is a gateway providing law enforcement access to beneficial resources, enhance information sharing, and be accessible in one centralized location.
- **What is JusticeConnect?** JusticeConnect is a criminal justice network which facilitates information sharing, partnership development, networking, discussions, and more for federal, military, state, local and tribal partners in a secure environment.

### LEEP Membership

- **If you have a LEEP account already**, follow the instructions below for accessing JusticeConnect. *Note: Most military law enforcement personnel already have a LEEP account (so they can access services such as eGuardian).*
- **If you do not have a LEEP account**, you can apply for one for free by navigating to <https://www.cjis.gov> and selecting "Apply for an Account". Once you have been approved, follow the instructions below.

### Accessing JusticeConnect

1. From the LEEP homepage, click on the JusticeConnect service.
2. Follow any on-screen prompts.

*Note: You may be required to opt-in to JusticeConnect before accessing. The steps for doing so will be listed on-screen.*

### Joining the Community

- You can go directly to the NAVCOPS community with this link after you logon to LEEP:  
<https://justiceconnect.cjis.gov/communities/community/navcops>
- Click the request access button and we will process your access to our community.

To get to the site manually:

1. Select Communities from the menu at the top of the screen and choose Discover from the dropdown.
2. Enter the community name, *NAVCOPS Network*, in the filter search box.
3. Select the community name. Complete the access request form and click Send.

**If you require additional assistance**, please contact the LEEP Help Desk  
at 888-334-4536 or [helpdesk@leo.gov](mailto:helpdesk@leo.gov)

# Law Enforcement Enterprise Portal (LEEP)

## Your Partner For Success

The FBI Criminal Justice Information Services (CJIS) Division is currently seeking new members to bring to the FBI's law enforcement sector.

## Single-Sign On

In one centralized location, users are able to gain access by logging in using a single sign-on process. In other words, by using one username and one password, users can obtain access to many different resources and services within the LEEP.

## Access

- Any user from a local, state, tribal, and federal law enforcement agency that is an identity provider (IdP) can access the LEEP. An IdP is an agency that partners with the LEEP, which gives their users easier access to the LEEP resources. If your agency is a participating IdP, simply log onto your agency workstation.
- Anyone who has a LeapID account can access the LEEP. To obtain a LeapID account, go to [www.cjis.gov](http://www.cjis.gov).

## Resources Available

The FBI's Law Enforcement Enterprise Portal is a gateway providing law enforcement agencies, intelligence groups, and criminal justice entities access to beneficial resources. Users can strengthen case development with the investigative tools available, collaborate with internal and external agencies, and securely share sensitive documents.

Examples of resources available include:

- Virtual Command Centers
- Nationwide criminal justice records
- Global cyber-complaint data
- Counterterrorism threat tracking
- Intelligence centers
